

Ristorbar - Cocktail - Shisha Lounge

Menu

Hello everyone, who is reading me and who will read me.

My name is Francesco, I am the son of parents who immigrated abroad, I am 39 years old, I have been living in Germany for 35 years, where since I was a child it was difficult for me to accept not being able to live in my beautiful and beloved Sicily.

Today, thanks to many sacrifices, my dream of being able to live in Sicily begins.

This is why I am investing my savings from my work in Marsala.

And so I thought of opening something where there was sociality and contact with people.

I opened this Ristorbar, hoping to have created something welcoming and harmonious.

The place is ideal for those who love breathtaking sunsets, nature, the buzz of the sea.

My culinary art will be based mainly on local and genuine products, but you will be the judge, there will be several show evenings with local artists to give them a little support.

From here you can relax while enjoying a cocktail, a long drink or simply a bottle of water, our team will be at your disposal.

Thanks to you I feel that my childhood dream will be able to come true, to return to live in my beautiful and beloved Sicily.

*Warm greetings to everyone from
Ciccio*
